MRA Receives IACET Certification
2008 MRA training courses now online

September 28, 2007, Waukesha, WI – MRA – The Management Association (MRA) is pleased to announce that it has become an authorized provider by the International Association for Continuing Education and Training (IACET), a not-for profit association dedicated to quality continuing education and training programs. As an authorized provider, MRA can grant IACET Continuing Education Units (CEUs) to all of its training programs. To receive IACET certification, MRA’s training programs had to undergo an extensive evaluation and meet strict continuing education guidelines and criteria.

“IACET certification further demonstrates MRA’s commitment to providing quality training programs that help companies develop and engage their workforce,” said Linda Hildebrand, MRA’s Manager of Training Operations.

MRA’s 2008 training programs, many of which are pre-approved by the Human Resource Certification Institute (HRCI) for recertification credit toward PHR or SPHR designation, can be found online at www.mratraining.com. New courses include *Influencing Skills*, *Using Online Employment Branding to Attract Top Talent*, and *Introduction to Lean Office for Administrative Professionals*.
