

aPHR Certification Preparation

New to HR or looking to develop professionally in your HR career? aPHR certification is for you!

Our certification preparation course is designed for individuals preparing for the Associate Professional in Human Resources (aPHR) exam. Our program highlights foundational HR knowledge, terminology, and practice questions to help prepare for the exam. Our certified experts will share effective test-taking strategies, provide practice test questions, and review content to enhance learning.

This aPHR option is ideal if you:

- Are new to HR.
- Would like an overview of HR.
- Enjoy attending class with others via live online classes.
- Prefer using a book along with some online resources as study tools.

Learning Options:

- Virtual training

Who Should Attend:

- Individuals new to HR or desiring an overview of HR

Learn. Grow. Succeed.
