

**VERA FRENCH**

Mental Health for Healthy Living

Shelly Chapman, SHRM-CP holds a Bachelor of Science, Management of Human Resources from Bellevue University. She has been employed at Vera French Community Mental Health Center since 2015 and was promoted to Director of Human Resources in 2021. Shelly is a graduate of the Leadership Academy through Integrity Integrated and the Quad City Diversity, Equity, and Inclusion Leadership Initiative. Her 20+ years of Human Resource coupled with her work in the mental health field makes her an empathetic leader who empowers her staff and program managers with best practices and practical solutions. Vera French was voted a Top Workplaces for 2021 and recently earned national accreditation from COA. Vera French Community Mental Health Center has provided quality, comprehensive and accessible mental health services to the Quad Cities for over 70 years.
