## Leadership Excellence Virtual Roundtable

MRA's Leadership Excellence Virtual Roundtable is specifically designed for experienced leaders. This roundtable provides the opportunity to cultivate a valuable network of accomplished leaders to stay current on emerging business trends, share best practices and strategic approaches, collaborate on solving challenges, and brainstorm new ideas.

The Leadership Excellence Virtual Roundtable is professionally facilitated and provides connectivity in a confidential forum with fellow leaders across the upper Midwest—all from the convenience of your workspace.

### Join us in discussions on:

- Empowering Employees to Act
- Ways to Develop and Improve Time Management Skills
- Effective Coaching Techniques
- Using Performance Metrics to Gauge Effectiveness
- Ways to Keep Morale and Motivation High
- Conflict Management
- And more!

Learn, share, and enhance your skills with experienced leaders just like you! For more information on the Leadership Excellence Virtual Roundtable, including enrollment details, visit [www.mranet.org/roundtables](http://www.mranet.org/roundtables).

**We look forward to seeing you there!**

**Expand your network and connect with other experienced leaders!**
